Membership

Section 1. Class of Members. There shall be Members, Associate Members, and Temporary Members.

Section 2. Member. Each owner shall, by reason of ownership, become a Member of the Association. There shall be one vote per Member, regardless of the number of persons who may have ownership interest in such lot, or the number of lots owned. The voting Member shall be designated in writing at the request of the Board. If ownership of a lot is in multiple surnames, one person shall be designated as the "Member", with the remaining persons listed as "Associate Members". The names and addresses of all owners shall be filed with the Secretary.

Section 3. Associate Member. If not otherwise a Member, each of the following shall be entitled to Associate Membership in the Association; the spouse or children or legal wards who have the same principal address as the Member. Associate Members shall be listed with the Secretary. Associate Members shall have no vote or right to notice of any regular or special meeting of Members. The privileges and duties of Associate Members shall be as those of Members unless otherwise established from time to time by the Board by resolution.

Section 4. Temporary Members/Renters. Invited guests are considered Temporary Members while accompanied by a Member or an Associate Member. Lessees/Renters are also considered Temporary Members but with all rights of a Regular Member except voting.

Section 5. Privileges of Members. Members, Associate Members, and Temporary Members shall have permission to use the Common Areas subject to the provisions of the appropriate Declaration and subject to such other rules and conditions as may be established by the Board.

The following format for establishment of the annual charges or assessments may be used as a guide to the Board of Directors and may be rescinded by the Board of Directors when it might become apparent that this format is not in the best interest of the Association. In the event that the format following or any portion thereof is rescinded, annual charges or assessments shall be made on the basis of each lot owned.

Prior to formulating the Annual budget of the Association, the Board of Directors shall develop a Budget/Finance Committee consisting of the Treasurer of the Association and at least five (5) Members at large. Their main objective is to:
