

Fence Variance Request

Purpose: Application for a variance to construct a fence.
Fee: \$150.00 (completely refundable upon successful construction and final ACC/ECC inspection). **NOTE:** There is an automatic \$250.00 fine for failure to obtain an ACC/ECC permit prior to construction.
Processing: Fence variance requires ULLPOA Board approval. Allow 30 days for review process to complete.

Please fill in the following information completely. Please print legibly.

Section _____ **Lot Number(s)** _____

Property Owner's Name _____

Property Address _____

Home Phone _____ **Cell Phone** _____ **Email** _____

Reason for variance:

Please read and understand this checklist:

- Submit one site plan to scale for review.
- Construction must be completed within 9 months from project start. Extensions may be granted on a case-by-case basis due to unforeseeable conditions.
- Any fence requires the ULLPOA Board to issue a variance, per ULLPOA Covenants.
- Fences are to be a maximum of 5 feet tall.
- Fences cannot be permitted to extend nearer to any street than the building setback line. In the event of a corner lot, building setback lines on both streets must be observed.
- Fences are not allowed to extend beyond the front of the house.
- The State of Illinois Department of Public Health and Ogle County Health Department must approve any changes to drainage sewage treatment systems.
- Fee for a fence variance application is \$150.00, and is completely refundable upon successful completion of construction and final ACC/ECC inspection. The \$150.00 fee may be waived if part of an in-ground swimming pool permit.

"I hereby certify that the information submitted herein by me is true and correct, and that all rules, regulations and codes will be observed during the construction period of property improvement."

Construction Rules & Regulations

Contractor is to be given a copy of these Construction Rules & Regulations before the construction process commences. Property owner is responsible for the misconduct of the contractors. Ogle County and United Lost Lake POA permits are to be displayed in such a manner that they are visible from the street.

Contractors, please read and understand these rules:

- Speed limit is 20 miles per hour.
- Weight limit restrictions coincide with Ogle County Highway road postings.
- Any construction sign must be removed from property when the final inspection has been completed.
- Construction hours are Monday thru Friday 7 a.m. to 7 p.m., Saturday and Sunday 8 a.m. to 5 p.m.
- Drainage ditches are not to be driven through.
- Do not place excavated dirt, materials, tree stumps or brush onto adjacent property.
- Mud tracked on the street must be removed daily.
- Any changes to plans must be approved by ACC/ECC.
- Concrete washout is not to be placed on any street or ditch.
- Ditches and swales must be restored to their original condition.
- No temporary structures or trailers may be used for the purpose of storage or residence. However, a contractor may use a temporary structure to store tools and material used during the construction process.
- Late permit request and re-inspection fees or fines, where applicable:
 1. \$10.00 per day for no dumpster on site when building material is delivered.
 2. \$250.00 fine for any construction started without a permit.
 3. \$115.00 fine for each re-inspection.
 4. \$250.00 fine for each missed inspection. Missed inspections may be required to show workmanship before inspector will proceed to the next inspection.
 5. \$10.00 per day for full dumpster not replaced promptly.
- The contractors, subcontractors or their families are allowed to use the amenities of the community provided they either: (1) are a ULLPOA property owner, or (2) have a valid guest pass issued by the ULLPOA.
- Property owner must check with the Lost Lake Utility District (www.lostlakeutilitydistrict.org) for water lines intruding on the property that may interfere with construction of any type.
- Property owner must check with appropriate provider for electric, phone and cable that may interfere with construction.
- Dumpsters should be located such that they do not impede or hinder street traffic.
- The ACC/ECC must be notified of any changes to construction plans, or changes in contractors.

ACC/ECC Final Inspection

- _____ Excess scrap and building materials have been removed.
- _____ Miscellaneous debris including tree limbs and stumps have been removed from the property and adjacent properties.
- _____ Any damage to adjacent properties has been corrected.
- _____ Roads and shoulder areas are clear of debris.
